

## By God's will

Dear Brothers and Sisters:

In this world Life, We tried to clear our sins and gain more Good things to become holy so that after this world life we can reach God peacefully.

For this purpose.....

We follow some way (procedure) as per our ancestors, (or)  
we follow some way as per our knowledge and decision, (or)  
We follow some way which is explained by some people,  
To try and achieve by our own efforts.

In this world NO one is sinless person.

NO one is having a perfect fullness in knowledge.

So with our knowledge, with our effort, we can NOT achieve the perfect ness (holy).

God made a way for this purpose, and God himself fulfilled that procedure for all of us.

We have to just accept his great work and FOLLOW him, to achieve the perfect ness in our life (which we are trying to do ourselves by many ways which is not possible.).

He is just waiting with willingness to give this to all of us with His grace.

To discern the truth in every thing, by whomsoever spoken, is wisdom.

(Tamil Literature: Thirukkural 423)

Please read the following Word of God and meditate:

In this world, every priest stands ministering daily and offering repeatedly the same sacrifices, which can never take away sins.

For the law having a shadow of good things to come, and not the very image of the things, can never with those sacrifices which they offered year by year continually make the comers thereunto perfect.

By God's will we have been sanctified through the offering of the body of Jesus Christ once for all.

For by one offering He has perfected forever those who are being sanctified.

For God was pleased to have all his fullness dwell in Christ, and through Christ to reconcile to himself all things, whether things on earth or things in heaven, by making peace through his blood, shed on the cross.

(Bible: Hebrews 10:11,1,10,14., Colossians 1:19-20)
