

My Grandfather's Prayer.....

My Grandfather took lots of efforts in our family together with our parents to support us.
He was tailor worked till his end of life.
Every time when we take lunch together, he will do little prayer in his mind
(without loudly speaking). After that we all eat.
I never asked him what he pray, and he never told me either.

I wonder why my grandfather did not explain to us to follow that great practice.
We don't know whether he started this from his father or by himself.
If he started from his father, he would have passed that to us....
We don't know the real fact on this simple and important prayer practice.

Many of Our ancestors are great to have some wisdom from God.
My Grandfather got some understanding and make it in practice.
Unfortunately he did not share with us. I don't know why? **Let us think about this.....**

We have the word of God which give wonderful opportunity to understand about God and
Spiritual Life. We will read few verses from the Bible now.

Bible: New Testament: Matthew 6:9-13

“This, then, is how you should pray: ‘Our Father in heaven, hallowed be your name,
your kingdom come, your will be done, on earth as it is in heaven.
Give us today our daily bread.
And forgive us our debts, as we also have forgiven our debtors.
And lead us not into temptation, but deliver us from the evil one.’ (NIV)

If you read this chapter full (before and after these verses), you will be amazed
how the word of God explain our situation of our day to day life.
Please do not think this is a Christian Book.
Please do not think this is a religious book.
This book, we all must read, think and meditate again and again, day by day, to our life time.
Those who did not read, Please just give a try. God will help you.

Let us pray now.
