

**Argument:** (Ref: Dictionary)

a discussion involving differing points of view; debate:  
to state the reasons for or against; to maintain in reasoning:.....

With your knowledge,

You can argue and success to prove that your point of view is correct.

That success may be against of true fact.

If you analyse your opinion and think about it, you will find the true fact.

**To discern the truth in every thing, by whomsoever spoken, is wisdom. (Kural 423)**

When we give first place for our argument,  
then we may miss to know about the true fact.

In my 6<sup>th</sup> / 7<sup>th</sup> standard School time, there was one debate competition.

Debate topic: (from Tamil Literature)

**“Rama did fire test (Agni Parechsha) to Seetha. Is it right or wrong?”**

One Tamil professor (who are brilliant in debate skill) participated and won as “It is right”.

The same professor, in another occasion of debate competition, for the same title,

He participated and won as “It is wrong”. !

**The final outcome of debate and the True fact may be different.**

Please think.....

**Remind everyone about these things, and command them in God’s presence to stop fighting over words. Such arguments are useless, and they can ruin those who hear them. (2 Timothy 2:14)**

Please read, think and meditate the word of God, it judges the thoughts and attitudes of the heart.

God will bless and teach us to live without doing useless arguments. Amen.

**Don’t copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God’s will for you, which is good and pleasing and perfect. (Romans 12:2)**
